

## Tretinoin Instructions and Application Schedule

---

1. Wash face.
2. Wait 15 minutes.
3. Apply a pea-sized amount to the entire face.
4. Follow nightly application schedule.
5. Apply your moisturizer every morning and on nights when you do not use your medication.

### Nightly Application Schedule

Do not spot treat, you may reduce the number of applications if your skin is too dry.
